SUGGESTED SNACK LIST	
	These suggestions are made primarily for the benefit of the children so that we do not contribute to tooth decay and hyperactivity, which is being questioned among experts where food additives are concerned. Any suggestions or questions will be welcomed.
	Please remember the children will drink milk with their snacks, so the portions of snacks do not need to be very big.
	Please reserve sweet snacks, such as cookies, for birthdays. We have a refrigerator for anything that needs to be kept cold.
	SUGGESTIONS: Crackers (all kinds), Carrots and celery sticks, Trail mix, Jello, Pretzels, Puddings, Raisins, Popcorn, Yogurt, Fruit Snacks, Go-Gurts, Cereal, String Cheese, Granola bars, Fruit Roll-ups, Fresh Fruits, Peanut butter & jelly sandwiches.
	Please do not send cupcakes on a child's birthday. I would like to encourage cookies, Rice Krispie treats, donuts, or brownies for a birthday treat. The children seem to eat these types of treats better than they eat cupcakes.
