

February 1st, 2018

Dear St. Paul Families,

Cross Project

To kick off National Lutheran Schools week the school will be hosting the 10:30 church service in the school gym on March 4th, 2018. The children will be singing at the service and we would like each family to help us decorate the church banners for this service. We are asking each school family to decorate this cross template anyway you choose, with the only stipulations being it must be the size of the cross template, (so we can fit all the school families on the banner) and have your last name on the cross as a visual reminder of Christ's love for your family.

You may trace the template onto paper, fabric, felt, or any other material you may have on hand. You could write your last name with marker, puffy paint, glitter, or any other spectacular ideas! You may leave the cross bare or decorate it in anyway you choose. Perhaps you'd like to put a border of jewels on the cross, make a collage of things your family is blessed with or loves, or maybe a color pattern of some kind? The ideas are endless and we can't wait to showcase them on the banners!

- 1) Use the template to create your families cross out of any material you choose.
- 2) Display your families name on the cross and decorate any way you choose.
- 3) Please return your families finished cross by Feb. 26th so we have time to position them onto the banners before the March 4th church service.

There will be also be a free will offering soup luncheon after worship on March 4th featuring chili, chicken noodle, sloopy joes, relish, and desserts!

In Christ,
St. Paul Lutheran Staff
